MEMORANDUM FOR UNITED STATES ARMY GARRISON ANSBACH

SUBJECT: United States Army Garrison Ansbach Reenlistment Incentive Program, Policy Letter# 30

1. The United States Army Garrison Ansbach's goal is to reenlist, on a long-term basis, the greatest number of qualified Soldiers consistent with the Army's needs and to achieve and maintain Army force alignment concerns. To obtain maximum involvement, the following incentives are established to enhance the Garrison's reenlistment program:

a. All Soldiers reenlisting will be released from duty after the Oath of Enlistment is given. The remainder of the day will be authorized for taking care of personal affairs such as I.D. Cards and updating records.

b. Soldiers will select the uniform (no civilian clothes or PT uniforms), date and time of reenlistment, and officer of choice to perform the ceremony.

c. Exemption from any and all duties and details not pertaining to normal duty for a period of thirty days to commence with the end of the current duty roster.

d. A four-day pass will be authorized in conjunction with a weekend.

2. None of the above should occur concurrently or interfere with unit readiness and mission requirements. However, every effort will be made to ensure compliance with the guidelines set forth within this policy.
